Extended Day Quarter 3 2020

January 2020

The Counseling Department and Extended Day Coordinators want to inform you of our School-wide Academic Support Program referred to as the Extended Day Program. This program will allow your child to make up credits for any 7th/8th grade class they may have failed, improve his/her grades in core classes, and improve his/her study habits.

Each five week Extended Day Session meets Tuesday through Thursday from 2:50-3:50pm. These sessions will be offered to all interested students at Smedberg. The dates of the next session are below. Once your child is enrolled in the Academic Support class, s/he will be required to attend all three days of the week and not be tardy or truant (unless due to an excused absence) or s/he will be dis-enrolled from the class. **Additionally a student will be dropped from the program on the 3rd absence of any kind.** Behavior issues will receive the same consequences as outlined in the Student Handbook, and a student can be dis-enrolled from this program if s/he is disrupting the learning environment. This is a unique opportunity for your child to take advantage of a program that is designed to meet the needs of students who are struggling academically. Students who successfully complete the session by attending classes on the scheduled days, and earning a passing grade in their academic support class, will earn 5 credits towards promotion.

Please complete the bottom section, and return to the Smedberg Middle School front office. **Students will receive a new schedule with an Extended Day class as a 9th period either in Advocacy or from their counselor when they are officially enrolled in a session. If you have any questions please call your students counselor, Cheryl Stark (A-K), Angela Keel (L), Maggie Wade (M-N) or Yer Gutierrez (O-Z) at 681-7525 or Student/Parent Vue.**

Extended Day Quarter 3: Feb 4-March 5 (Subject to change if need arises).

(Please complete and return bottom portion to the office)

This completed form is for the Extended Day Quarter 3 Session **ONLY**. We will ask students to sign up for each term individually and the forms will be time stamped as we run this program on a first come first serve basis.
