Dear Smedberg Family:

T. R. Smedberg would like to invite your student to our After School Honors Workshop Program. This program was specifically designed for students currently enrolled in one or more honors courses. This program is designed to support the extra rigor of the honors courses at Smedberg Middle School.

Through this program, students will be provided strategies on time management, effective study habits, test taking skills, as well as an opportunity to work on homework each day with an honors teacher. Each student will have access to a computer, printer, textbooks and any supplies needed to be successful in honors courses.

Students will be scheduled into Honors Workshop which will run during all four quarters (see dates below for remaining quarters) and will run each Tuesday, Wednesday, and Thursday from 2:50 – 3:50 pm. Attendance is not required; however students can earn credits by successfully completing the program each quarter with 2 or less absences.

**The program dates will be as follows:**

- Quarter 3: Feb. 4 – Mar. 5**
- Quarter 4: Apr. 14 - May 14**

If you are interested in your student being a part of this program, please sign the form below and return it to your student’s counselor. Space will be limited to the first 25 students who complete this form. A waiting list will be established; if spaces become available your child could be added to participate it this program.

If you have any questions, please call your student’s counselor at 916-681-7525.
